Prelims Test
Series
2023-2024***

Dear Aspirants,

We are launching our prelims test series on 17th November 2023 targeting CSE Prelims 2024. Our test series is structured in a method of a practice series and three phases to ensure a gradual and comprehensive buildup of your knowledge and skills. Here's an overview of how the series is structured.

Practice Tests (NCERT) -6 Tests (50 Questions each)

- These tests are designed to assess your basic understanding of the subject.
- Each test consists of 50 questions that cover fundamental concepts.
- The aim is to build a strong foundation and ensure that you are well-prepared for more complex topics in later phases.
- The questions will focus on core concepts, theories, and principles.
- There is no fixed date for this test series. You can take these tests at any time from 17th November 2023 to 7th April 2024 at your convenience either in online or offline mode.

Phase I – 14 Tests (100 Questions each)

- In this phase, the difficulty level of questions gradually increases.
- Each test contains 100 questions, testing your in-depth knowledge of the subject.
- Questions will require a deeper understanding of the topics.
- The aim is to help you transition from foundational knowledge to a more advanced understanding of the subject.

Phase II – 6 Tests (100 Questions each)

- This Phase conducts tests on complete syllabus of each subject.

Phase III – 18 Tests

- During this phase, both GS and CSAT will be held on same day mimicking the UPSC CSE prelims.
- Questions will cover a wide range of topics and may be challenging, preparing you for the real examination.
- This phase will help you assess your readiness for the UPSC Prelims and fine-tune your exam-taking skills.

Throughout the test series, we have carefully curated questions to ensure that you are well-equipped with the knowledge and skills needed to excel in the UPSC Prelims. Our aim is to provide a comprehensive and progressive learning experience that prepares you effectively.

We encourage you to take these tests seriously, review your performance, and work on your weak areas. Consistent practice and improvement will be key to your success.

Wishing you the best of luck in your UPSC preparation journey!
