PRELIMS

TEST SERIES

2024-2025

Dear Aspirants,

We are launching our prelims test series on 4th October 2024 targeting CSE Prelims 2025. Our test series is structured in four phases to ensure a gradual and comprehensive buildup of your knowledge and skills. Here's an overview of how the series is structured.

Phase I – 13 Tests (100 Questions each)

- Each test will concentrate on one particular subject, accompanied by current affairs to keep you updated in your preparation.

Phase II – 6 Tests (100 Questions each)

- In this phase, tests will cover two subjects in each session along with current affairs. The dual subject approach helps in developing the ability to switch between topics, a crucial skill for the actual exam.

Phase III – 8 Tests (100 Qs. each for GS & 80 Qs. each for CSAT)

- Phase III emphasizes a comprehensive approach by including multiple subjects per test and a strong focus on CSAT alongside current affairs.

Phase IV – 20 Tests (100 Qs. each for GS & 80 Qs. each for CSAT)

- During this phase, both GS and CSAT will be held on same day mimicking the UPSC CSE prelims.
- Questions will cover a wide range of topics and may be challenging, preparing you for the real examination.
- This phase will help you assess your readiness for the UPSC Prelims and fine-tune your exam-taking skills.

Throughout the test series, we have carefully curated questions to ensure that you are well-equipped with the knowledge and skills needed to excel in the UPSC Prelims. Our aim is to provide a comprehensive and progressive learning experience that prepares you to handle the exam effectively.

We encourage you to take these tests seriously, review your performance, and work on your weak areas. Consistent practice and improvement will be key to your success.

Wishing you the best of luck in your UPSC preparation journey!
