PRELIMS

TEST SERIES

2024-2025

Dear Aspirants,

We are launching our prelims test series on 10th January 2025 targeting CSE Prelims 2025. Understanding the limited time left for preparation, to support you in your journey, we have carefully customized this test series to help you bridge the gap and compete effectively with those who started their preparation earlier.

Phase I – Building the Foundation

16 GS Sectional Tests (100 Questions each)

4 CSAT Sectional Tests (80 Questions each)

- This phase has been designed to provide you with ample time to focus on each subject, to build a strong foundation and develop an in-depth understanding of core concepts.

Phase II – Real-Exam Simulation

16 Tests (100 Qs. each for GS & 80 Qs. each for CSAT)

In this phase, General Studies (GS) and CSAT tests will be held on the same day, replicating the UPSC CSE Prelims experience.

- The questions in this phase will cover a broad spectrum of topics, reflecting the dynamic and unpredictable nature of the UPSC examination.
- The tests are intentionally challenging, pushing you to think critically and prepare for the rigors of the actual exam.

This phase is designed to:

- Evaluate your readiness: Identify your strengths and areas for improvement.
- Refine your strategy: Fine-tune your time management and decision-making skills.
- Build your confidence: Familiarize yourself with the intensity and format of the actual prelims.

Throughout the test series, we have carefully curated questions to ensure that you are well-equipped with the knowledge and skills needed to excel in the UPSC Prelims. Our aim is to provide a comprehensive and progressive learning experience that prepares you to handle the exam effectively.

We encourage you to take these tests seriously, review your performance, and work on your weak areas. Consistent practice and improvement will be key to your success.

Wishing you the best of luck in your UPSC preparation journey!

Phase I
